v.	)	<b>UTILITIES, INC. TO COMPLAINT OF BOB</b>
	)	<b>PARRO</b>
	)	
Wyboo Plantation Utilities, Inc. ,	)	
Defendant/Respondent	)	

Pursuant to the January 16, 2007 Notice issued by the Public Service Commission of South Carolina (the "Commission") and received by Wyboo Plantation Utilities, Inc. ("Wyboo") on January 29, 2007, 26 S.C. Regs., 103-837 and 103-841, Wyboo responds to the Complaint of Bob Parro dated January 8, 2007 as follows:

Wyboo utilized its own personnel, hired third-party contractors, and purchased materials in order to grant this customers' requests to be interconnected to the Wyboo water system. Wyboo made these connections in a timely fashion, and the customers received the benefits associated with those interconnections. The amounts that Wrigley & Associates charged Mr. Parro did not fully cover the costs that each of these companies incurred in making these interconnections. At the time of these interconnections, Wyboo and Mark Wrigley & Associates expended real costs, and provided valuable services that were commensurate with the amounts these customers paid.

Wyboo was not attempting to circumvent Commission rules in its dealings with Mr. Parro. Wyboo's actions were entirely designed to ensure that Mr. Parro could have water and sewer service without placing Wyboo in financial jeopardy.

It is Wyboo's hope that this response will fully satisfy Bob Parro and ORS's concerns. Wyboo is ready and willing to provide such other and further evidence as the Commission may deem just and proper.
